A MULTI-VENTURE SAUDI BUSINESS GROUP

INTRODUCTION

About Neuvano

Neuvano is a Saudi company based in Jeddah, operating through three divisions: Neuvano Medics, Neuvano Construction and Neuvano Livestock. Our activities span medical consumables supply, construction contracting and manpower solutions, and livestock services.

Each division focuses on its customers and sector requirements, supported by shared leadership and commercial oversight from Neuvano's founders. Across our businesses, we are committed to reliable service, fair pricing, clear communication and responsible growth.

We build our businesses around genuine needs, bringing together practical business experience and relevant industry knowledge. Our ambition is to develop Neuvano into a diversified Saudi business group, with each brand earning its reputation through the value it delivers and the principles it upholds.

Our Mission

To identify genuine needs in Saudi Arabia and build focused businesses that address them, each under a distinct brand owned and operated by Neuvano. We develop our businesses around demonstrated demand, sound economics and compliance, with Islamic principles guiding our decisions and conduct.

Our Vision

To become a leading Saudi business group, grounded in Islamic principles and trusted for solving real problems, creating meaningful employment and building lasting value.

Our Values

Our values guide how we build, grow and serve, shaping a more prosperous and responsible future together.

01

Real problems, practical solutions

We build businesses around genuine needs and measure success by the practical value we deliver to the people we serve.

02

Halal earnings, honest dealings

We pursue halal income through truthful representation, fair pricing and clear terms, without deception or exploitation.

03

Amanah: honouring every trust

We honour the trust placed in us by customers, employees, suppliers and partners through responsible decisions and fulfilment of our commitments.

04

Investing in people

We value dignified work, develop people's skills and recognise that our businesses affect the livelihoods of employees and their families.

05

Ambition with integrity

We pursue substantial growth while remaining faithful to our principles. Our commitments and claims must reflect what we can deliver.

06

Disciplined execution

We turn purpose into dependable service through clear responsibilities, sound commercial judgment, consistent follow-through and accountability for results.

Neuvano Medics

Medical Consumables Supply

ESSENTIAL SUPPLY
FOR A HEALTHIER
TOMORROW

Neuvano Medics supplies medical consumables to healthcare organisations, sourcing through licensed distributors in Saudi Arabia. Based in Jeddah, the division coordinates product requirements, quotations and delivery arrangements, with Neuvano managing the commercial relationship and issuing invoices in its own name.

An experienced biomedical sales professional with approximately 30 years in the sector supports market research, pricing and customer relationships. Our focus is on responsive communication and coordinated supply. Medical equipment installation and maintenance form part of our future expansion plans.

COMMUNITIES

Neuvano Livestock supplies sheep to individuals and organisations, including bulk and group buyers. Our presence in the Makkah livestock market supports sourcing, while our sheep are raised on farms operated by other parties. These arrangements support direct sales and the development of our sheep supply capacity.

We coordinate slaughtering through licensed slaughterhouses, and our own team delivers meat to customers. Services are arranged according to each order, with direct communication throughout fulfilment. Our growth priorities include expanding sheep supply, rearing capacity and customer relationships.

How We Work

FROM UNDERSTANDING TO LASTING PARTNERSHIPS

We follow a clear and collaborative approach to deliver value for our customers, working with discipline, transparency and a long-term perspective.

PEOPLE
PARTNERSHIPS
PROGRESS

01

Understanding and agreement

Our approach begins with understanding the customer's requirements and agreeing the scope, pricing, responsibilities and expected delivery or execution arrangements.

02

Coordination and communication

Each division coordinates the relevant people, suppliers and service providers, supported by the founders' oversight. We maintain clear communication throughout the engagement, address changes with the customer and follow through on agreed commitments.

03

Lasting relationships

We seek lasting relationships with customers and suppliers through honest dealings, dependable service and a clear understanding of each party's responsibilities.
